## Distance Learning Weekly Plan –Year 11 International

| Day  | Subj.               | Probability & Statistics | Pure Maths         | Physics                 | Chemistry | Biology                             | Islam.       | Business Std.       | ICT                                 | Arabic                                   | History                    |
|------|---------------------|--------------------------|--------------------|-------------------------|-----------|-------------------------------------|--------------|---------------------|-------------------------------------|------------------------------------------|----------------------------|
| Sun  | e-Lesson Objectives | ch 7. 1                  | unit 8 Integration | revision chapter 6      |           | Energy and Respiration              | أحكام اللقيط | inventory manageent | Z. notes Explanation                | نشاطات التعلم - الوحدة الخامسة           | جذور تأسيس الدولة السعودية |
|      | HW                  | book page 119            |                    |                         |           | Task on fire fly                    |              | Task on fire fly    | Revise Class Practicals             | task on firefly                          | واجب على المنصة            |
| Mon  | e-Lesson Objectives | ch7.2                    | unit 8 Integration | revision chapter 7and 8 |           | ATP structure                       | لقطة الحرم   | inventory manageent | Sound & Video Editing p. 176 to 178 |                                          |                            |
|      | HW                  | book pages 122           |                    |                         |           | Task on fire fly                    |              | Task on fire fly    | Revise Class Practicals             |                                          |                            |
| Tues | e-Lesson Objectives | 8.1                      | unit 8 Integration | revision chaper 9and    |           | synthesis of ATP                    | الجنائيات    |                     | Z. notes Explanation                | النكاه التواصلي - نشاطات التعلم ص181-183 |                            |
|      | HW                  | page 136                 |                    | task on firefly         |           | Task on fire fly                    |              |                     | Revise Class Practicals             |                                          |                            |
| Wed  | e-Lesson Objectives | 8.2                      | unit 8 Integration | chapter 11 and 12       |           | The role of ATP in active transport |              | inventory manageent | Sound & Video Editing p. 179 to 181 | النكاه التواصلي - نشاطات التعلم ص184-187 |                            |
|      | HW                  | page 138                 |                    |                         |           | Task on fire fly                    |              | Task on fire fly    | Revise Class Practicals             | task on firefly                          |                            |
| Thur | e-Lesson Objectives |                          |                    | revision chapter 13     |           | Respiration                         |              | inventory manageent |                                     |                                          |                            |
|      | HW                  |                          |                    |                         |           | Task on fire fly                    |              | Task on fire fly    |                                     |                                          |                            |
