## Distance Learning Weekly Plan –Year 11 International

| Day  | Subj.               | Probability & Statistics     | Pure Maths  | Physics                      | Chemistry                                    | Biology                     | Islam.               | Business Std.      | ICT                                     | Arabic                             |
|------|---------------------|------------------------------|-------------|------------------------------|----------------------------------------------|-----------------------------|----------------------|--------------------|-----------------------------------------|------------------------------------|
| Sun  | e-Lesson Objectives | Averages and spread revision | past Papres | revision Ohm's law           | Hess's law                                   | transport system in animals | مرجعة البيوع المحرمة | revision marketing |                                         | تدريبات لقراءة النص الأدبي وتحليله |
|      | HW                  | complete book questions      |             |                              | Self asses q's                               | task on firefly             |                      | task on firefly    |                                         | ص 111-109                          |
| Mon  | e-Lesson Objectives | Diagrams revision            | past Papres | density, pressure and moment | Conservation of energy                       | cardiovascular system       | مراجعة انواع البيوع  |                    |                                         |                                    |
|      | HW                  | complete book questions      |             | task on firefly              | Self asses q's                               | task on firefly             |                      |                    |                                         |                                    |
| Tues | e-Lesson Objectives | probability revision         | past Papres | momentum revision            | Delta H of reaction and delta H of formation | Arteries                    | مرجعة درس الربا      | revision marketing | Revision Question Chap 1, 2, 3, 4, 5, 6 | تدريبات على تحليل النص =           |
|      | HW                  | complete book questions      |             |                              | Self asses q's                               | task on firefly             |                      | task on firefly    | Revise Class Work & Past Papers         | تدريبات على فاير فلاي              |
| Wed  | e-Lesson Objectives | remedial work                | past Papres | power                        | Enthalpy change of combustion                | capillaries                 |                      | revision marketing | Revision Question Chap 1, 2, 3, 4, 5, 6 | مراجعة الوجدتين الأولى والثانية    |
|      | HW                  | complete book questions      |             | hook's law                   | Self asses q's                               | task on firefly             |                      | task on firefly    | Revise Class Work & Past Papers         | تدريبات على فاير فلاي              |
| Thur | e-Lesson Objectives |                              |             | electric field               | Enthalpy change of hydration                 | veins                       |                      | revision marketing |                                         |                                    |
|      | HW                  |                              |             |                              | Self asses q's                               | task on firefly             |                      | task on firefly    |                                         |                                    |
